

Trish Bain Team AD Action Plan

Become a Morinda STAR! Earn Money Now and Build Wealth for your future!

Qualify as an Area Developer and put yourself in position to earn Multiple streams of income in the future with a little effort now. Share with others and Experience and Grow together as a TEAM (Together Everyone Achieves More) to EXPERIENCE better health, income and travel rewards.

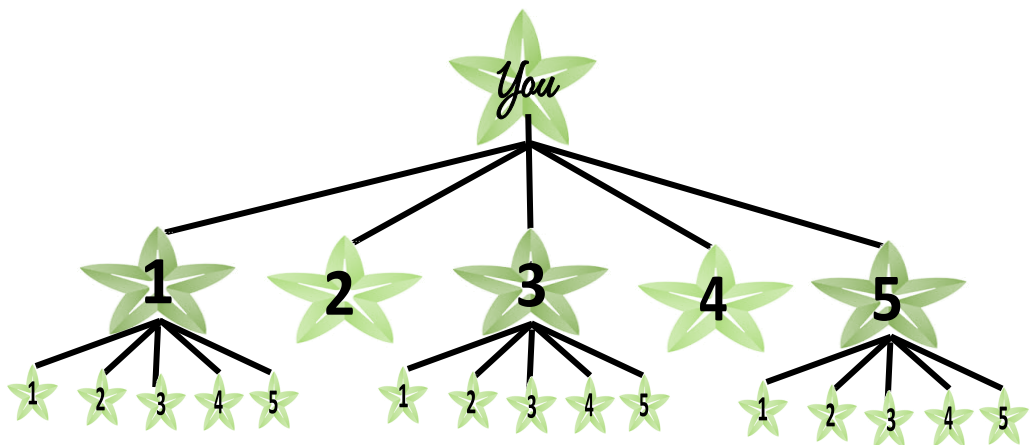

STEP 1:

Find and identify 5 business minded entrepreneurs that want to become Area Developers. Get commitments from each business partner, if they don't give you a commitment replace them with someone that will.

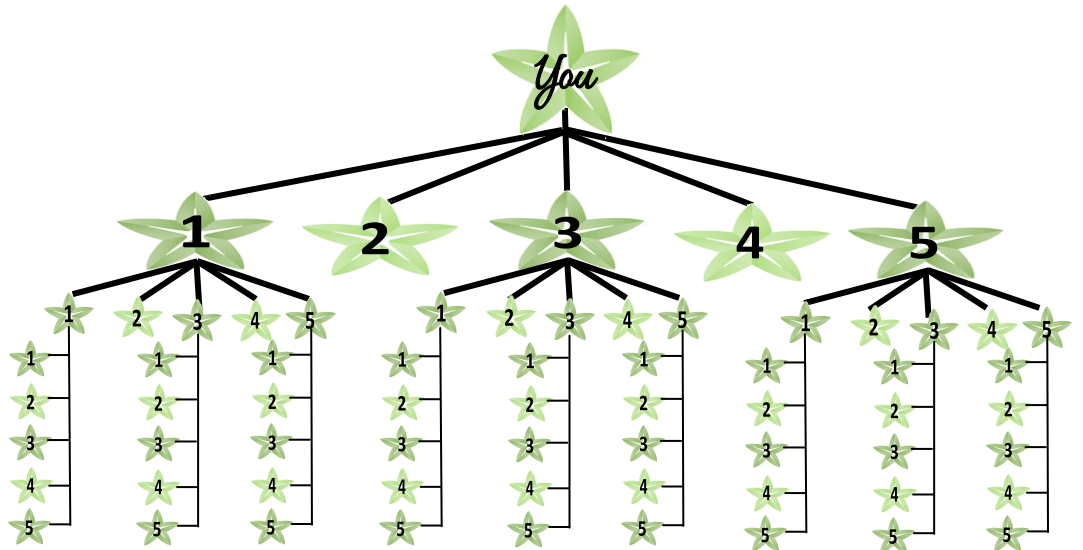

STEP 2:

Help your 5 committed business partners find and identify their 5 people from Step 1. This step will help you personally move towards becoming an AD. Also you will be getting your 5 leaders prepared to build towards becoming an AD.

STEP 3:

Duplication actually starts in Step 3 in your organization. When you properly help and train your business partners to do the same with their business partners, you have successfully started duplication. Your entire committed team is now prepared to build Area Developer Organizations.

There are worksheets designed for you to be filling out as you build your business. Make as many copies as you need to help you achieve your goals. They also help you focus on exactly what you need to do to achieve becoming an AREA DEVELOPER and will help your committed TEAM members focus as well.
